SECTION I

GENERAL

ORGANIZATION

1. MISSION. To provide command and administration for transportation tactical carrier companies.

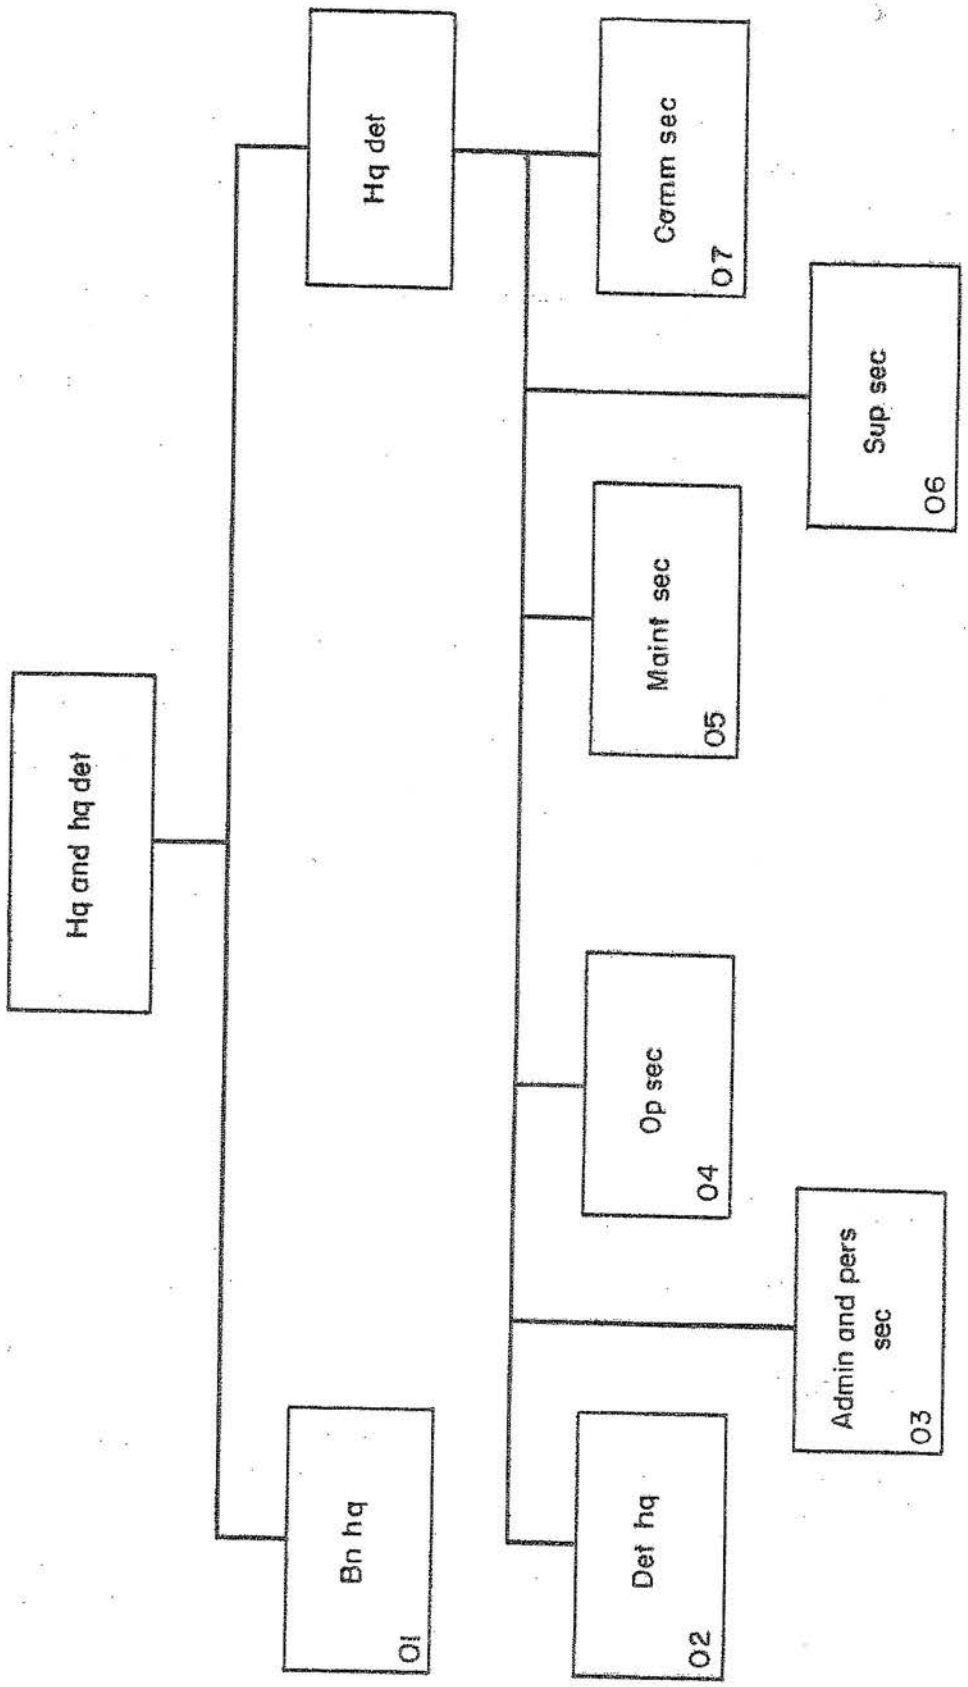
2. ASSIGNMENT. To a corps or a field army.

3. CAPABILITIES. a. At full strength this unit provides the following facilities:

(1) Command, staff planning, coordination, and supervision of three to six Transportation Tactical Carrier Companies, TOE 55-47.

(2) Within basic policies, establishing procedures for operation of tactical carriers in accordance with the requirements of the commander to which assigned.

HEADQUARTERS AND HEADQUARTERS DETACHMENT
TRANSPORTATION TACTICAL CARRIER BATTALION



(3) Promulgating standing operating procedures to be followed by subordinate units.

(4) The evaluating of the area traffic plan and recommending the best routings to be used for the forward (or lateral) movement of carrier units to their new operational area.

(5) Assigning tasks to subordinate units for the accomplishment of the tactical mission.

(6) Supervising and directing the accomplishment of operational assignments by subordinate units.

(7) Supervising, coordinating and assisting subordinate units in matters of administration, supply, maintenance, training and communications.

b. The reduced strength column adapts this Table of Organization and Equipment to the lesser requirements for personnel consistent with a one shift, 10-hour, day during prolonged noncombat periods and for a limited period of combat.

c. This TOE is not adaptable to Type B organization.

d. Individuals of this unit can fight as infantrymen when required. This unit has the capability of defending itself and its installations against hostile ground attack.

4. BASIS OF ALLOCATION. One per four Transportation Tactical Carrier Companies, TOE 55-47. Normally, two per corps.

5. CATEGORY. This unit is designated a Category II unit (Reference Unit Categories, SR 320-5-1).

6. MOBILITY. Eighty percent mobile.

EQUIPMENT

1. This table is in accordance with AR 310-2 and AR 310 series, and, together with documents listed in paragraph 3, is the authority to requisition and issue, in accordance with pertinent Department of the Army directives, all items listed herein unless otherwise indicated.

2. When there appears to be a discrepancy between the allowances shown in Section III, Equipment, strength column and the basis of distribution as indicated in the "Remarks" column, the amount shown in the strength column will govern.

3.
